## RUSSIANS SMASH NAZI LINES TO TAKE TWELVE MORE TOWNS

## OPENING OF NEW DRIVE IS UNCONFIRMED

German Reports Stating Soviets Had Launched Offensives Not Verified by Moscow

## TANKS LEAD ADVANCES

By HENRY C. CASSIDY—Moscow, Jan. 14.—(AP)—The Red army's come-back drive through the Caucasus was reported today fanning out wider on both sides of the Rostov-Baku trunk line as separate spearheads of the assault stabbed on through towns more than 20 miles west and 50 miles north of recaptured Mineralnye Vody. Despite German attempts at a stand, the Russians were broadening their offensive front in fighting unchecked by steady rains and wet snow which bogged the fertile valley fields with mud and water. A dozen towns were won back under the Red banner in the continuing drive, officials announced.

German reports that the Russians had launched new offensives against the Leningrad siege line or the Voronezh front to the north of the Don bend were not confirmed here. Neither communications nor battlefield dispatches mentioned these sectors.

Dispatches announcing the recapture of Novo Blagodarneye placed the Russian advance more than 20 miles west of the spa town of Mineralnye Vody, recaptured early this week.

Another arm of the offensive swept through Kumagorsky and on past Zharavskoye, 50 miles north of Mineralnye Vody.

In between, on the straightened front, the Russians reported seizing the little towns of Kalaborka, Orbelanovka and Pobegailovskoye. (Turn to Page Eleven)

## French Take Vital Points In N. Africa

BY WES GALLAGHER

Allied Headquarters in North Africa, Jan. 14.—(P)—French troops aided by the new P-40 fighters of Lafayette Escadrille blasted the Germans from two strategic heights in the mountains about 15 miles northwest of Kairouan yesterday, it was announced today.

The attack marked the first offensive operation by Lafayette Escadrille fliers in the Tunisian theater. The first squadron of the organization, composed of French aces who shot down an average of seven or eight planes each in the brief battle of France, arrived at a U. S. fighter base Monday.

(A Reuters dispatch from North Africa said direct contact had been established between General Henri Honoré Girard's headquarters and the Fighting French of Brig. Gen. Jacques Leclerc—the first such liaison in the new phase of the African war.)

Bad weather temporarily halted Allied aerial operations from the west against Marshal Erwin Rommel's forces in Libya.

An indication of the strength the Allies are building up for coming battles came in a report that the British navy had successfully escorted 971 transports, supply ships and other vessels totaling 7,600,000 tons between Gibraltar and North African ports from last Nov. 8, when the AEF made its first landings, to Jan. 8.

On the political front two more minor arrests were reported in the military investigation into the Christmas Eve assassination of Admiral Jean Darlan. The prisoners were held for questioning.

## SAFETY PIN REMOVED FROM THROAT OF BABE

Philadelphia, Jan. 14.—(P)—A safety pin was removed today from the throat of 10-month-old Judith Schand Wing who was rushed to the Chevalier Jackson Bronchoscopic Clinic here last night by a Transcontinental Airliner that went off its course to pick her up.

Physicians pronounced the child's condition as satisfactory. The child and her parents, Mr. and Mrs. George Sherman Wing, Jr., of Cleveland, boarded the San Francisco-to-New York United Airlines plane last night at Youngstown, O., where they had been visiting, and arrived soon after. Neither Youngstown nor Philadelphia are on the ship's usual route.

## Five Brothers Missing in Pacific

The five Sullivans of Waterloo, Ia., and the sunk cruiser Juneau all are missing in action. Left to right, George, 29; Francis, 26; Joseph, 23; Mallison, 22, and Albert, 20, the only one married, who leaves his wife and 22-month-old son. Their mother, Mrs. Thomas Sullivan, will christen a Navy tug next month.

## Miners Split Over Issue of Ending Strike

Approximately 17,000 Defy WLB Ultimatum and Remain Idle

## NO DISORDER REPORTED

BULLETIN—Washington, Jan. 14.—(P)—The War Labor Board today called a public hearing for tomorrow on the anthracite strike and asked union leaders and operators to attend.

Washington, Jan. 14.—(P)—John L. Lewis, president of the United Mine Workers, has assured the War Labor Board and Chairman Truman (D-Mo) of the senate defense investigating committee he is doing "everything possible" to end the work stoppage in the anthracite region.

Replying to questions whether Lewis intended to intervene, a spokesman who would not be quoted by name also said the union chief has sent appeals to local union officials and is constantly in touch with the situation by telephone.

Thomas Kennedy, secretary treasurer, is on the scene as the representative of the international officers.

Wilkes-Barre, Jan. 14.—(P)—Two thousand striking hard coal miners complied today with a War Labor Board demand that they return to work, but approximately 17,000 others defied the WLB ultimatum and remained idle for the 16th day.

Despite growing tension throughout the strike area, there was no disorder as 600 men took up their tasks again at the Hudson Coal Company's Baltimore No. 5 colliery and 1,600 workers resumed operations at the Wana-mo colliery of the Glen Alden Coal Company—world's largest producer of anthracite.

## Sea Warfare Investigation Is Launched

Washington, Jan. 14.—(P)—Anxious to give the public all information possible within the bounds of military security, the house naval committee decided to undertake today a broad review of American sea warfare since Pearl Harbor.

Chairman Vinson (D-Ga.) reported that the inquiry would get under way with Vice Admiral F. H. Horne, vice chief of naval operations, called as the first witness.

The first session will be held behind closed doors. Vinson said details of naval strategy could not be disclosed for obvious reasons, but that Horne—after the meeting—(Turn to Page Eleven)

## Associated Press Bulletins

New York, Jan. 14.—(P)—Kate Smith, 33-year-old radio star who is suffering from a gall bladder ailment, was reported to be improved today by her manager, Ted Collins.

New Delhi, Jan. 14.—(P)—RAF planes hammered Japanese positions in the Akyab area in Burma again yesterday and also attacked targets at Kyauktaw, some 40 miles north of that port on the Kaladan river, a British communique announced today.

Detroit, Jan. 14.—(P)—An airplane identified by military authorities as a training plane crashed near the Ford Willow Run bomber plant at dusk yesterday, killing its two occupants.

Washington, Jan. 14.—(P)—The first two sheets of United Nations stamps, a new two-cent issue of the Post Office Department, were sold today to Secretary of State Hull. Postmaster General Walker called at the state department to deliver them in person. (Turn to Page Eleven)

## WPB Order Cutting Output of Farm Machinery Questioned

Senator Truman, At Committee Hearing, Protests Restrictions

## LEGISLATION DELAYED

Washington, Jan. 14.—(P)—Senator Truman (D-Mo) protested today that farmers in America's arsenal of food, already short on labor, face a shortage of equipment because of restrictions laid down by the War Production Board.

Truman and other members of the senate defense investigating committee inquired pointedly of the wisdom of a WPB order which cut 1943 production of farm machinery to 23 per cent of the 1940 tonnage, and set the production of replacement parts at 167 per cent of the 1940 output.

Oscar W. McE, chief of the agricultural, food and textile machinery unit of WPB, replied that 1940 was one of the peak years for purchases of farm machinery, and as a result farmers' equipment is generally in good shape.

One of the hitherto more active groups in Washington, the house committee on un-American activities, appeared meanwhile to be heading toward a quieter existence.

Chairman Dies (D-Tex) said he would ask for its continuance another year, but would ask for \$60,000 appropriation rather than \$100,000, would cut its staff of a half dozen investigators in two and planned no public hearings. (Turn to Page Eleven)

## WORKHOUSE INMATE IS KILLED DURING FIGHT

Pittsburgh, Jan. 14.—(P)—James Adams, 30, of near Kittanning, an inmate of Allegheny county workhouse, died today of stab wounds which institution officials said he received in a fight with another inmate. Adams was stabbed with a knife in the chest, abdomen and leg as he entered his cell after leaving the dining room.

Assistant Superintendent Emil Marshall said the men argued when Adams ordered his assailant, a corn sorter, to stack brooms.

Marshall reported Adams had been in jail almost continuously since January, 1938, his last term being for violation of the uniform firearms act.

## SEEK TO AVERT MILK SHORTAGE IN EAST

Upper Darby, Jan. 14.—(P)—The Farm Security Administration, asserting that a milk shortage is threatened in the east has offered to buy all good milk cows and heifers which farmers otherwise would sell for slaughter because of shortage of labor and feed.

J. H. Wood, BSA regional director, said the agency would re-sell the animals to farmers who can handle them and added, "the government expects to make no profit from these transactions."

Houston, Tex., Jan. 14.—(P)—Five children, ranging in age from eight months to five years, and a woman were burned to death in a blaze which gutted a four apartment two story frame building.

Two of the children, eight months and two years old, were those of Mr. and Mrs. M. F. Goforth. Goforth, a shipyard worker, was at work when the fire broke out. The other dead had not been identified.

Mrs. Goforth was in a hospital suffering from third degree burns. Ted Felds, head of the Harris county emergency corps, said Mrs. Goforth jumped from the second floor with her clothing afire, crying "My babies, my babies!"

Justice of the Peace Tom Maes said he believed other persons occupying the second floor of the building might have died in the fire. (Turn to Page Eleven)

## WITNESS IN FRAUD PROBE SENT TO JAIL

Union Official Is Held In Contempt of Court For Refusal to Turn Over Records

## APPEAL TO BE TAKEN

Harrisburg, Jan. 14.—(P)—A union official was held in contempt of court today and sentenced to 30 days imprisonment for refusal to turn over records of his organization to a federal grand jury investigating construction of the \$40,000,000 naval supply base at nearby Mechanicsburg.

The action came on a presentment made by the jury yesterday when it handed down six indictments naming nine civilians in connection with the inquiry. Charges in the indictments included bribery, conspiracy to defraud, theft and extortion.

The union official is Jasper White, of Philadelphia, assistant business agent of Local 542, AFL International Union of Operating Engineers. He refused to turn over union records on the claim it might incriminate himself and his organization.

Presiding Judge Albert W. Johnson directed White to release records after hearing arguments of attorneys, but the union representative declared "I respectfully decline." Sentencing followed.

Defense Attorney Robert Simmons announced an appeal would be taken to the Third Circuit Court of Appeals immediately. Judge Johnson ordered release of White on bail of \$100 pending outcome of the appeal.

Attorneys said the appeal meant that for the first time there would be brought before a federal appellate court the question of whether an unincorporated union is entitled to the same immunities as an individual under the U. S. constitution and laws where a plea of possible self-incrimination is made.

The indictments followed an inquiry which began shortly after U. S. Commissioner Sidney E. Friedman said there was "solid basis in fact" to reports that "wholesale theft, bribery and embezzlement" caused a shortage of equipment and material worth \$1,000,000.

Dobey explained the investigation. (Turn to Page Twelve)

## Ban Against Recordings Is Defended

Washington, Jan. 14.—(P)—Joseph A. Padway, attorney for the American Federation of Musicians, defended the union's ban against recording music before a senate committee today as an instance of organized musicians fighting "for their very existence" against corporations which have grown "powerful and wealthy" on "canned music."

Padway told an Interstate Commerce subcommittee the musicians resented efforts to wrap the controversy "in the American flag and to question the patriotism of their struggle."

He reiterated testimony given yesterday by President James C. Petrillo that the union was "willing to sit down with any responsible group or groups representing the industry, in an effort to work out a solution that will be fair and equitable to all concerned."

A ban, effective Aug. 1, against any of the union's 138,000 members playing for records or electrical transcriptions put an end to recording for radio stations, "juke boxes" and home phonographs.

"The musicians," Padway said in a 46-page statement, "feel that to be nothing short of suicide to continue, themselves to make the instruments which put them out of jobs."

## COURT ACTION SOUGHT IN DELIVERY STRIKE

Pittsburgh, Jan. 14.—(P)—The Allegheny County Consumers' Council wants the Pennsylvania Milk Control Commission to attempt to force milk truck drivers to deliver milk to Pittsburgh stores.

The AFL Milk & Ice Cream Salesmen, Drivers and Dairy Employees Union last week banned delivery of quarts of milk to stores in protest against a commission order establishing a half-cent differential between home delivered milk and that purchased at stores.

The union contended drivers faced the loss of their jobs if stores sold milk at 15 cents per quart while milk delivered to the doorstep was sold at 15½ cents a quart.

## Martin Recommends Tax Cut As He Names Nine In Cabinet

Groundhog Is Losing Prestige As a Seer

Punxsutawney, Jan. 14.—(P)—The famous groundhog of Gobbler's Knob, who boasts of such titles as the seer of seers, the peer of prognosticators, and the world's greatest weather forecaster, is suffering great loss of distinction due to the war.

Last year censorship restricted his prediction of whether there'll be six more weeks of winter or an early spring.

Now the 25 board members of the Chamber of Commerce have voted unanimously to cancel the Groundhog Day banquet scheduled Feb. 2 in honor of the seer's emergence from hibernation, an occasion of much fanfare here for more than a half-century.

## Charge Delay In Relieving Oil Situation

Senate Committee Alleges Confusion In Barge Program

## "NOT ENOUGH ACTION"

Washington, Jan. 14.—(P)—The senate defense investigating committee charged today there had been "inexcusable" delay and confusion in carrying out a barge construction and conversion program designed to relieve the east coast's oil shortage.

"There was simply too much talk and not enough action," the committee said.

Recalling that President Roosevelt last spring appointed a committee to study the barge problem, the investigating group, which is headed by Senator Truman (D-Mo), declared in an interim report:

"The committee believes that there has been unnecessary delay and confusion in carrying out a program essential to the national welfare. The delay which occurred prior to the recommendations of the committee appointed by the president is most regrettable, but the delay which occurred after its recommendations had been received by the president is inexcusable."

The report said ten different agencies had a hand in making decisions with respect to barges, and declared that "valuable time has been lost" as a result of "this overlapping of authority and duplication of effort."

The president's barge committee included Interior Secretary Ickes, Commerce Secretary Jones, Price Administrator Henderson, Defense Transportation Coordinator Joseph B. Eastman and Major General Eugene Reybold, chief of the army engineers.

The program is expected to increase petroleum deliveries from Texas to the Atlantic coastal area by 150,000 barrels daily.

## NEW TRIAL DENIED IN SUIT AGAINST BUTLER

Pittsburgh, Jan. 14.—(P)—Ira L. and Thelma Hearn were denied a new trial yesterday in a suit against the city of Butler for damages in the death of their son, Edward, in an automobile accident on state highway Route 422 July 9, 1940.

Federal Judge F. P. Schoonmaker ruled the municipality had no duty to construct, repair or maintain a state route.

The Hearn claimed in the suit, brought against the city and Mrs. E. R. Mosher, with whose automobile the Hearn machine collided, that the accident was due to negligence of the city in permitting a slippery pavement to exist. A directed verdict was returned in favor of the defendants. In asking a new trial, the Hearn sought action against the city of Butler only.

## OPA Order Makes It Tougher For B and C Coupon Holders

Washington, Jan. 14.—(P)—The Office of Price Administration made it tougher today for B and C gasoline ration book holders in the east to get increased allowances.

B and C coupons were cut 25 per cent in the 17 state shortage area recently, and OPA today took out of the hands of local ration boards the decision as to whether these classes of drivers could get more coupons to compensate them for the reduction in the value of their coupons from four to three gallons apiece.

Incoming State Executive Favors Eliminating Personal Property Levy

## RAMAGE IS APPOINTED

Harrisburg, Jan. 14.—(P)—Governor-Elect Edward Martin held out the prospect today of a reduction in state taxes of at least \$26,700,000 for the next two-year period.

Simultaneously with appointment of nine additional members of his cabinet late yesterday, Martin announced he would recommend that the legislature drop the state four-mill personal property tax, which was estimated to produce that much revenue in the present biennium, ending May 31.

The newest appointments brought to 17 the number of major officials of cabinet rank named by the incoming executive, who will be inaugurated next Tuesday, and left only three yet to be picked.

Martin said he would complete the personnel of his official family "within a few days."

Dropping the state's personal property tax—one of the emergency levies first imposed for relief in 1935—Martin said, would be his "No. 1 recommendation" to the general assembly. The action would leave undisturbed a similar four-mill personal property levy for the counties, which is a part of the commonwealth's permanent tax structure.

The cabinet appointments announced yesterday are:

Secretary of banking—William C. Freeman Cornwall, Lebanon county, succeeding John C. Bell, Jr., elected lieutenant governor, \$10,000 salary. Freeman is a former state senator, member of the family which once owned the Cornwall Iron Ore Mines, and is trustee of the Lebanon County Trust Company's board of directors.

Budget Secretary—Dr. Edward B. Logan, Delaware county, now secretary of revenue, succeeding William A. Sponsler, III, \$8,000.

Secretary of Highways—John U. Shroyer, Shamokin, manufacturer, succeeding I. Lamont Hughes, \$12,000.

Insurance Commissioner—Gregg L. Neel, Pittsburgh, succeeding acting Commissioner Ralph H. Alexander, \$10,000. Neel, a real estate man, managed Martin's campaign in Allegheny county.

Attorney General—James H. Duff, Pittsburgh, succeeding E. (Turn to Page Twelve)

## Four Hold Up Dispatches In Army Vehicle

North Kingstown, R. I., Jan. 14.—(P)—Four men who held up an unarmed army dispatch rider at gunpoint and rifled through official army papers, only to return them with the remark that "it isn't here," still were at large today despite a state police dragnet.

There was no indication of what the men were seeking in their mysterious foray, nor any clue to their identity.

The men forced the soldier, Private Raymond L. Mosher, of Springfield, Mass., to drive his small army truck for more than a mile, a gun at his head, to a secluded lane where they caroled. (Turn to Page Eleven)

## LONGER WORK WEEK IN SOFT COAL FIELDS

Pittsburgh, Jan. 14.—(P)—More than 75,000 soft coal miners in western Pennsylvania are permitted to work a six-day week under an agreement providing time and one-half pay or rate and one-half for the sixth day, signed yesterday by the Western Pennsylvania Coal Operators Association and the United Mine Workers of America.

The area, composed of union districts 3, 4 and 5, is the first to acquiesce to Secretary of Interior Harold I. Ickes' request to speed up production of coal by increasing the present five-day, 35-hour week. The central Pennsylvania field remains unsigned.

## RUHR VALLEY IS BATTERED AGAIN BY RAF

Hundred Tons of Explosives and Incendiaries Rain On Industrial Area In Germany

## ESSEN IS MAIN TARGET

London, Jan. 14.—(P)—Essen, hard-hit home of the giant Krupp armament works, was battered by 100 tons of explosives and incendiaries last night in the RAF's third consecutive night attack on the industrial Ruhr valley, it was announced officially today.

The air ministry said four of the bombers which carried out the concentrated 12-minute down-pour of destruction on the repeatedly-raided industrial center were lost.

Other parts of the Ruhr also were hit, but Essen was the main target, a communique declared. German bombers attacked plants on the British southeast coast by daylight and set extensive fires at the city of Sunderland and in its shipyards by night, the Germans said.

British bombers let loose an average of eight and a third tons of explosives and fire bombs a minute in the blow at Essen.

It was the RAF's eighth attack on Germany in 11 nights.

The communique announced the loss of one fighter aircraft on operations over France and Holland, and said "Hudsons of the coastal command, without loss, attacked an enemy convoy off the Dutch coast. Two enemy supply ships were hit."

So concentrated was the attack that the planes unloaded their deadly cargoes over the target in the space of 12 minutes, the announcement disclosed.

The raid—the third on the Ruhr in as many nights—provided a follow-up to a thunderous daylight assault on occupied France and the Netherlands yesterday in which American Flying Fortresses played a major role.

The previous seven night raids had been directed at industrial cities in the Ruhr valley, including the city of Essen, site of the great Krupp arms factories.

German night raiders, meanwhile, attacked several places on the northwest coast of England, but the activity was said to be light and no casualties were reported.

The raid in which the Flying Fortresses participated yesterday was described as one of the heaviest ever carried out in daylight over occupied Europe.

The principal target of the Fortresses was the industrial city of Lille, which was subjected to its third heavy bombing of the war. Three of the four-motored American planes failed to return from the raid and two RAF fighters were missing after sweeps over Holland, where transportation and air positions were blasted. Three German planes were reported shot down.

Other targets of the Allied raiders yesterday included the air-dromes at St. Omer, Venturas and Abbeville and railway centers and repair shops in northern France.

The enemy vessels presumably were attempting to carry reinforcements to Guadalcanal, strategic island in the Solomons, but were forced to withdraw to the northwest by the furious torpedo boat assault.

## Number Of Enemy Boats Are Damaged

Washington, Jan. 14.—(P)—Motor torpedo boat, dashing into battle against Japanese destroyers, damaged two and possibly a third enemy destroyer off Guadalcanal, the navy reported today.

The enemy vessels presumably were attempting to carry reinforcements to Guadalcanal, strategic island in the Solomons, but were forced to withdraw to the northwest by the furious torpedo boat assault.

## PA. FARMERS CONVENE FOR FINAL SESSIONS

Harrisburg, Jan. 14.—(P)—Pennsylvania's farmers convened today for the final sessions of the agricultural groups studying wartime farm problems involving supplies, equipment and labor.

Held in place of the annual farm show, cancelled this year, the discussions of food production goals in Pennsylvania and measures necessary to meet them.

Governor James greeted the agriculturalists at a meeting in the forum of the state education building last night. Governor-elect Martin, also scheduled to speak, was unable to be present.

## Metzger Gets Silver Wings In Air Force

A special dispatch from Napier Field at Dothan, Ala., reports that Aviation Cadet Allan M. Metzger, formerly of Warren, received today the silver wings of a pilot in the U. S. Army Air Forces.

Immediately prior to the presentation of the wings, the graduating cadets were sworn in as second lieutenants in the Army Air Forces.

Lt. Metzger, graduate of Utica, Pa., High School, attended Clarion State Teachers' College. He was employed as an inspector by the National Tube Company in McKeesport until he entered the armed service as an aviation cadet on January 27, 1942. He completed the primary flying school training at Bennettsville, S. C., and basic training school at Macon, Ga.

**GROWTH OF TOOLMAKING**  
Tool production rose in the last decade from a low of 22,000,000 in the year 1932 to a high of \$130,000,000 a month in 1942. The level of 1932 was surpassed each week last year.

**OLD GUARD TO MEET**  
Members of the Old Guards are asked to meet at the Y. M. C. A. tomorrow afternoon at 2 o'clock. W. D. Todd will be the speaker of the day and he promises an interesting talk.

**PREMIUM MONEY ARRIVES**  
Premium money for the winners at the Sugar Grove Community Fair has been received from the state and will be paid at the Schoonover store, in Sugar Grove by Mr. Schoonover, treasurer of the Sugar Grove Community Fair Association.

**TOMORROW LAST DAY**  
Tomorrow is the last day for obtaining war ration book No. 1. Calling attention to the deadline today the office of Price Administration said war ration book No. 2, which will be used for the rationing of a variety of commodities, would be issued only to persons who held book No. 1. Book No. 1 now is used for sugar and coffee.

**EVENING OF PLAYS**  
The Warren High School Dramatic Club has started work on its annual Evening of Plays to be presented in the high school auditorium, Friday evening, February 5. This is the most varied, the most spectacular, and the most interesting program of the year. This year the plays are "I Pledge Allegiance", "Peace, It's Wonderful", and "A Certain Just Man". The announcement of the casts, which are already intensely busy, will be made shortly. In keeping with the established custom, there are no reserved seats for this presentation.

**FOUR GO TO NAVY**  
Chief Petty Officer White, of the U. S. N., who spends Wednesday and Thursday of each week in Warren on recruiting duty, yesterday signed up four Warren county boys for service with the Navy. James Elmer Munksgard, 113 Crescent street and Anthony Francis Pratz, Jr. Place are both from Warren; Lewis James Howles, of Columbus, and Earl Lamont Schultz, of Russell complete the quartet. Officer White stated that he had a number of other inquiries yesterday and expects a number of recruits to sign up today.

**EXPECT REJUVENATION**  
Men familiar with affairs of the Pennsylvania railroad are anticipating much construction work will be done along the lines of the Philadelphia and Erie division during the next few months. This is indicated by the plan to enlarge the docks and storage yards in Erie. Plans have been made to use a number of Erie streets which will be vacated and railroad tracks extended and storage space enlarged. It is felt that the enlarging of the docks will require additional facilities along the rail line eastward and will lead to some big construction projects.

**TAGS NOT HERE YET**  
County Treasurer Allen Gibson has received a letter from Harrisburg explaining the delay in the receipt of dog tags for which so many are inquiring. Due to the fact that the tags are being printed on fiber at the Western Penitentiary difficulty is being met with in operation of the dies, he flood also invaded the workshops and held up the work and other manufacturing difficulties arose. These are being straightened out and shipments will soon be going out with regularity. Several hundreds of applications have been received by mail at Mr. Gibson's office and they will be taken care of as soon as the tags arrive.

**WARNING IS ISSUED**  
Postmaster James K. Bell today warns Warren folk that after January 15 no parcels will be accepted for shipment to personnel of the United States Army overseas except on specified request of the addressee, approved by the battalion commander. These regulations were made by the war department because of the heavy demands being made on cargo space for military shipments. The recommendations also provide that no parcel exceeding five pounds in weight or 36 inches in length and girth combined will be accepted for overseas delivery. Newspapers and magazines will be accepted for dispatch outside continental United States only where subscriptions are specifically requested in writing by the addressee or are now in effect.

## Local Men Honored At Erie Meeting

Members of Ten Zen Temple gathered in Erie yesterday for the annual ceremonial. Illustrous Potentate Harrison R. Baldwin delivered the principal address of the ceremonial.

A large class of candidates was initiated and the election and installation of officers featured the session. Hit by the gasoline rationing in this section the registration was not expected to be as high as usual but a large attendance was on hand much to the surprise of those present.

Chief Rabbi Levi B. Taylor was advanced to illustrious Potentate in the usual procedure and William E. Lutz, of Warren was also advanced in the divan and is now High Priest and Prophet. A. E. Peterson, of Warren was elected a representative to the meeting of the Imperial Council.

The new Potentate is one of the more prominent Masonic figures in this end of the state and his affiliations are as follows: Past Master of Eureka Lodge No. 280, F. & A. M., Past High Priest of Mount R. A. Chapter No. 212, a member of Sharon Council No. 48, R. & S. Masters, Past Commander of Mt. Calvary Commandery No. 67, K. T., Member of New Castle Consistory, President of the Masonic Holding Association of Greenville, a member of St. John's Conclave No. 24 Knights of the Red Cross, Constantine and a member of Erie Court No. 58, R. O. J.

His church affiliations are with the Zion's Reformed Church. The new officers were installed by Past Potentate W. Fitt Gifford of Erie and Past Potentate Lorne B. Mulloy presented honors to the retiring Potentate who in turn presented honors to his successor.

From 5 p. m. to 7 p. m. the traditional feast was held in the Shrine Club annex; at 7 p. m. a memorial service was held with presentation of the colors first and third sections, second section the Hot Sands of the Desert and at 10 p. m. the annual social session was held in the Shrine Club Rooms.

## Warren Man Killed In Fall From Scaffold

Charles O. Munch, 511½ Prospect street, employed since last April at the Carborundum plant at Niagara Falls, N. Y., was fatally injured about 1:30 o'clock Wednesday afternoon when he fell from a scaffolding and died in the Memorial Hospital in that city in mid-afternoon.

Working as a carpenter on an elevator being built for one hoisting, Mr. Munch suffered a fractured skull, broken neck and other injuries.

Removal has been made to the Peterson Funeral Home here and services in his memory will be held from there at three o'clock Sunday afternoon. He was a member of the First Lutheran church and his pastor, Dr. H. A. Rinard, will conduct the rites, with interment in Oakland cemetery.

Charles Otto Munch was born in Neo, Bohemia, Denmark, October 4, 1890. He was a member of the Danish Brotherhood and of Warren Local Carpenters' Union; also of Ellicott Lodge, IOOF, at Jamestown, N. Y.

He leaves his wife, Freda Nelson Munch; one daughter, Miss Vera, at home; one sister, Mrs. Dorothy Nielsen, of Warren, and three sisters, Mrs. Marie Jensen, Mrs. Laura Nielsen and Miss Anna Munch, in Denmark.

## TIMES TOPICS

**CARS IN CRASH**  
Mrs. Lillie C. Rogers, of Tiona, is in the General Hospital for observation and suffering from shock sustained in a crash of automobiles this morning near Tiona. Harry Rogers was towing a car owned and occupied by his mother, Mrs. Lillie C. Rogers when Steve Hoden, of Sheffield driving a work car crashed into the rear of the car occupied by Mrs. Rogers. There was a heavy fog and this is given as the cause for the accident. No action has yet been taken. Damage to the three cars involved amounted to about \$200.

### CHANGE IN SKATES

As the skaters whirled away the hours last evening on the ice on Beatty Field many noted the change that has been made in the skates worn from those of a few years ago. At one time the skates were made of wood with steel runners that turned up at the toe; then came the "club skates" made entirely of steel and attached by means of a heel plate and straps and then the skates that had to be clamped on. Now the skates are attached to shoes and all one has to do is slip off their shoes and slip on the shoes with skates, lace 'em up and away they go.

## Tribute Paid Dr. T. E. Colley By Kiwanians

Yesterday's meeting of the Warren Kiwanis Club at the Carver Hotel honored Kiwanis President Dr. T. E. Colley, who has been promoted in his church work and leaves for Erie this week. Dr. Henry H. Barr, Methodist Church official, delivered a brief history of Dr. Colley's life, highlighting his success in the ministry, and featuring his educational background.

Earl Flohr, member of the club, complimented Dr. Colley for his work in the Kiwanis work and presented a token of remembrance. H. W. Ledebur, who succeeds Dr. Colley as president, presented a current book, autographed by the Kiwanis members, as a token of esteem and good will as well as for fine service rendered the club.

H. D. Baker was appointed general chairman for the club program. Mr. Baker expects to carry on with the same program arrangement as was set up by his predecessor, Mr. Ledebur.

M. G. Keller, member of the club, was successful in obtaining many donors from the Kiwanis for the American Red Cross blood bank setup to take place here January 26 and 27 between the hours of 11 a. m. and 5 p. m. on both days of mention.

The Kiwanis meeting of next week will be the annual tie-in with the Warren County Agricultural Extension Association. The dinner will be held Wednesday in the YMCA at 12:15 p. m. The Kiwanis Club will be responsible for the entertainment of the group and will be in charge of John C. Claman and H. W. Ledebur, members of the Kiwanis agricultural committee.

The directors' meeting scheduled for tonight at the secretary's office in North Warren has been cancelled due to the death of the mother of the club secretary, T. D. Cook.

## Third of Old Norris Team Passes Away

The death of William Barney in Tulsa, Okla., removes from the roster of the famous old Norris Athletic Club its third member and old-time ball player of this section. The first to die was John Annandson, of Sheffield, followed by Tom Bailey, of Clarendon.

Mr. Barney died at one o'clock Tuesday afternoon, having been ill for the past two months. He was born in Weldbank and spent his entire lifetime in this section until he went to Tulsa in 1910 to continue his employment with W. C. Norris.

He is survived by his wife, Maude Bathurst Barney, and several children; a brother, Fred Barney, of Fort Worth, Tex.; two sisters, Mrs. Mary Drain, of Tulsa, Okla., and Mrs. Edward Citen, of Columbus, O.; several half-brothers and sisters, including Frank Barney, of Russell.

Funeral services were held in Tulsa today and interment will take place Saturday at Fort Worth.

### NEW FIRST AID CLASSES START TUES.

It is announced today that a class in standard first aid instruction will be started on Tuesday, January 26, at 7:30 p. m., at the YMCA. This is to be a 20-hour course and is open to any person who has reached his or her 17th birthday anniversary or the junior grade in high school.

Mr. Shick gave a fine report on the Rotary luncheons served for the past year. Miss Phyllis Epstein gave a report on cards and checks sent to the local veterans in hospitals. Over two hundred boxes were sent to boys in service, and many interesting letters and cards of thanks were read from the boys, and these letters have been posted in the Legion Home, that others may enjoy reading them. Two members were reported ill. Mrs. Earl Andrews is in the Warren hospital, and Mrs. Florence Christian, Mrs. Vera Evans was appointed chairman of the ways and means committee, and Mrs. Delia Plunkett will have charge of the kitchen. To conclude the

## Farewell To Colley Family Well Attended

More than 200 members of First Methodist church and friends of Dr. T. E. Colley and family taxed the capacity of Dunham parlors of the church last evening to bid them farewell and wish them success in their new work in Erie.

Earl Flohr, Sunday school superintendent, acted as master of ceremonies for the program and gave the invocation. A piano solo by Meredith Young was followed by a group of violin selections by Mary Ann Lundmark, accompanied by Carroll Fowler.

Dr. J. H. Clemens, retired pastor of Grace church and former district superintendent, represented the Warren County Ministerial Association in a few remarks about "A Successful Minister". Gladys Young was accompanied by her sister, Miss Meredith, for vocal numbers.

W. S. Clark, representing the church-congregation, told of some of the ways in which the Colley family as individuals had endeared themselves to the church in their four years in Warren and expressed the hope of all that their future might be very bright. Dr. Colley's response was given in his usual delightful manner.

After various gifts had been presented, all adjourned for a social time about a pretty tea table at which Mrs. W. S. Clark and Mrs. E. S. Briggs presided.

Mr. and Mrs. A. B. Ledebur, 5 Water street, have received word that their son, Bernard R. Ledebur, formerly of Toledo, O., is now located at Miami Beach, Fla., training with an army air force technical school squadron. This particular son is quarantined in the Coral Reef Hotel and is very enthusiastic about the southland.

Pvt. Andrew Sivi has returned to Pine Camp, N. Y., after a six-day furlough at home with his parents, Mr. and Mrs. Andrew Sivi, of Youngsville.

Mr. and Mrs. G. M. Donahay, of Tiona, have received word from their son, Randolph, Aviation Cadet at Randolph Field, Texas, that he has been selected for pilot training in the Army Air Forces.

R. W. Dirling left last evening for the United States Naval Training Station at Camp Perry, Maquodet, Va.

Word has been received that Pvt. W. Lloyd Sager has been changed to a new outfit at Camp Croft, S. C.

Sheffield, Jan. 12—Pfc. Vincent M. Johnson, of Gilport Field, Guilford, Miss., is spending a week's furlough with his mother Mrs. John L. Johnson.

Richard Curtin and John Lloyd are home on a furlough until Monday.

Cpl. Ray Burgason is spending a ten day furlough with his mother, Mrs. N. Burgason.

Lt. John C. Anderson, son of Mr. and Mrs. Charles Anderson of Church street, left yesterday for Camp Callan, California.

Mr. and Mrs. W. O. Christenson, Crary avenue, have received word that their son, Billy, has been transferred from Camp Allen, Norfolk, Va., to Dutch Harbor, Alaska.

### SHEFFIELD NEWS

Sheffield, Jan. 12.—The regular meeting of the American Legion Auxiliary was held last evening at the American Legion Home, with a good attendance. Mrs. Evelyn P. Gailor, president at the business session, called for reports from committee chairmen. Mrs. Orabelle Shick gave a fine report on the Rotary luncheons served for the past year. Miss Phyllis Epstein gave a report on cards and checks sent to the local veterans in hospitals. Over two hundred boxes were sent to boys in service, and many interesting letters and cards of thanks were read from the boys, and these letters have been posted in the Legion Home, that others may enjoy reading them. A munitions ship plays hide and seek with death in the Battle of the Atlantic and wins through to safety in RKO Radio's "The Navy Comes Through," a thrill-packed drama of American convoys. The action takes place in the sea lanes between the United States and Europe, at a board of naval inquiry and at an east coast seaport. Included are battles between German U-boats and an American gun crew aboard a merchant ship and the stirring capture of a Nazi vessel.

An outstanding cast of favorites is headed by Pat O'Brien and George Murphy and includes Jane Wyatt, Jackie Cooper, Desi Arnaz, Max Baer, Carl Esmond, Frank Jenks and many others.

## Local Man Invents Device To Salvage Condensed Milk Cans

A local instance of how American ingenuity is helping solve war problems was revealed today by Wylie S. Corbett, chairman of the County Salvage Committee.

Officials of the War Production Board have long been looking for a way to salvage condensed milk cans which cannot be opened in the usual manner. Appeals have been circulated through its periodic bulletins asking county salvage chairmen if any such method were known in their areas. A typical example of the need was evident in the situation existing at the Warren State Hospital. Two carloads of condensed milk cans are on hand there, but until recently no method had been developed for processing these cans.

Mr. Corbett took the problem to Glen Greene, Sr., of the G. G. Greene Mfg. Corporation. After studying the various aspects, Mr. Greene went to work on a totally new device for doing the work. He perfected a heavy shearing machine which does the job to perfection. This machine was delivered to the State Hospital authorities yesterday, and after being used locally, may be sent to other institutions throughout the state where a similar problem exists.

Mr. Greene not only donated the machine but also, which is of greater importance, his time and inventive talent in designing and completing it. Thus, about two tons of cans, which would otherwise be wasted will be added to the big Warren county collection which is to be assembled on Tin Can Collection Day, Wednesday, January 20, and scores of additional tons may be salvaged throughout the state.

Mr. Corbett also announced the appointment of a new Salvage chairman in Tidoute and the surrounding area in the person of George B. King, who has already assumed his duties. On Friday and Saturday of this week trucks will conduct a curb collection in Tidoute, Irvineton and Starbrick. All housewives are asked to have the processed tin cans on the curbs in these communities early on those days, so that the accumulations from these sections may be added to the general county collection.

Mr. Corbett asked the Times-Mirror to request teachers of rural schools to urge the students to bring tin cans to school in as large a volume as possible. He stated the cans would be collected from the schools.

## OPA Will Lift Ration Books Of Violators

Pittsburgh, Jan. 14. (AP)—The Pittsburgh district OPA office, reporting that violations of the pleasure driving ban have become "widespread and numerous" in this area, today ordered its investigators to lift gasoline ration books of drivers ignoring the regulations, beginning Friday at 7 p. m.

The OPA said incomplete results of a survey it conducted showed that 57 per cent of motorists checked "have admittedly violated the regulations."

This "compels us to follow steps taken in New York and Philadelphia where they have lifted ration books to achieve compliance," the OPA said.

Previously the agency ordered its investigators merely to report violations and the motorists would be given hearings before local ration boards to determine whether ration coupons would be lifted. Henceforth the hearings will be held by the ration boards or the OPA after the coupons are lifted.

The district affected comprises the following 16 western counties: Erie, Warren, Crawford, Forest, Venango, Mercer, Clarion, Butler, Lawrence, Armstrong, Beaver, Allegheny, Westmoreland, Washington, Fayette and Greene.

## UNITED NATIONS WEEK

The motion picture theatres in Warren and of the entire nation have designated the period January 14 to 20 as United Nations Week, in order to focus the attention of friends and patrons upon the importance of remaining united—yes, united to win the war, and united to save the peace and to make that peace secure for ourselves and our children.

We Americans have learned through the bitter experiences of the past twenty-five years that we cannot "live alone and like it." We know now that we can neither live in peace or win in a world war without the help of the other fellow. Hence, a good motto for United Nations Week—indeed a perfect motto for the United Nations—is that of Dumas' Three Musketeers—"One For All and All For One!"

You will be interested in United Nations Week because your favorite theatre is playing an appealing one-real film titled "You, John Jones," with James Cagney, Ann Sothern and Margaret O'Brien. This picture, which you will long remember when you see it this week, underscores an important way in which we Americans can strengthen the United Nations.

President Roosevelt recently stated that "the real test of victory may well be found in what the people of the victorious nations are prepared to do to make the 'united' concept live and grow."

When you see this film we know you too will wish to capitalize every opportunity to make the phrase, "The United Nations," even more meaningful than it is today.

Let us remain united to win the war and united to save the peace.

## DIPLOMAT FLYNN

It was inevitable, but it is unfortunate that initial attacks on appointment of Edward J. Flynn as minister to Australia should have come from Republican senators.

The question of Mr. Flynn's fitness for this important diplomatic post is not and should not be made a partisan matter. The sole issue is whether by training, by temperament, by mental caliber, by ethical sensativity, by demonstrated achievement and recognized standing in the American community, Mr. Flynn can be a good diplomat.

In determining the answer to that question, one is entitled to whatever preliminary suspicions may be raised by the general feeling that Mr. Flynn is being "kicked upstairs" because, as national chairman, he has become a liability to his chief.

He has become a liability in the opinion of competent political observers, because in the conduct of national party affairs he did not rise above his parochial, nepotistic background.

He became a liability because of the Belgian paving blocks episode. A Bronx grand jury found that he had no legal liability in the matter. It did not exonerate him on the ethical charge that complaisantly—with no indication of scruples—he permitted city-paid workmen to pave the court-yard of his country estate with city-owned imported paving blocks.

He never asked for the blocks, the grand jury said. But neither—though he is a lawyer of presumed talent—did he even mildly remonstrate against violation of the law for his personal benefit.

In the Bronx Mr. Flynn rolled up consistent majorities. When his field was broadened, he did nothing effective to temper party disaster.

His public activities have consisted of three items: first, his local political chairmanship; second, his service as New York secretary of state by appointment of Mr. Roosevelt, where he did not shine; third, a very successful law practice resting heavily on political patronage.

Are these the materials out of which a high-ranking diplomat is made?

A good politician might be trained thereby for diplomacy. How about one who did not succeed in any broad field; who in his own narrow bailiwick showed exceptional talent at making enemies, at exciting resentment?

Will our ally Australia feel honored to welcome Ed Flynn, Tammany politician, as minister from the United States?

## T-H-O-U-G-H-T-S

Give therefore thy servant an understanding heart to judge thy people, that I may discern between the good and bad; for who is able to judge this thy so great a people?—1 Kings 3:9.

Four things belong to a judge: to hear courteously, to answer wisely, to consider soberly, and to decide impartially.—Socrates.

## A Time for Greatness

## Washington in Wartime

By JACK STINNETT

WASHINGTON—The Capital in Wartime:

In an interview with an Associated Press writer in Detroit, Homer Ferguson, the new junior Republican senator from Michigan, tagged himself with a name which, if he lives up to it, will stick with him as long as he serves.

"In Washington," he said, "I want to be a 'why-man,' not a 'yes-man.'" Friends and colleagues already are referring to him as Sen. "Why-Man." Ferguson and those who know the Judge and his reputation as the one-man grand jury that busted many Detroit rackets wide open, will give odds no end that he gives up to his new handle.

REP. WILL ROGERS, JR., is the only man in the new Congress who will walk the halls of the Capitol in the shadow of his father's statue. In one of the main floor corridors that houses the overflow from the Hall of Statuary is a life-size bronze of the sun-chewing comedian.

It should be a daily reminder to young Will that although his

Did never served in Congress, he probably was quoted more frequently there than any man in his time.

CONGRESS has just dealt the old one-two to the theory that hard work and war tension are killing. In the 715 days of the 77th Congress, the longest on record, 14 members of the House and five Senators died, but only three of those congressmen and one senator has died since the United States declared war.

That record hasn't been equalled in any year since 1914. It is all the more remarkable because 1942 was not only the second year of the longest continuous session of Congress but also was election year when many members had to do the double duty of electioneering and wrestling with all the legislative problems this war has raised.

Dr. George W. Calver, congressional physician, attributes the new health record to a greater consciousness of the need for physical fitness. Scores of congressmen have beaten the strain of overwork with physical check-ups and strict adherence to proper exercise and diets.

## What It Means

By HERMAN ALLEN

DEBATE HAS sprung up in Washington over whether the Army should continue to increase in size or be cut off before it reaches the 7,500,000-man strength for which it is slated by the end of this year.

Those who propose to hold the Army down say we are reaching the point where military requirements for supplies and equipment are overbalancing our ability to produce them. Why put more men into the Army, these persons ask, if we can't give them guns or parachutes the very guns and parachutes they might themselves be producing if they were still in civil life?

The question seems to have been brought out in public the first time by Pierre Cot, former French aviation minister, before the House military committee.

"The (French) republic suffered from general industrial weakness, having a labor force only about one-third as large as Germany's. We mobilized too many men in our army and not enough in our factories."

Senator Johnson of Colorado commented: "The United States is making the same mistakes now, and we've had more time to correct them."

A few days later Chairman Truman of the Senate defense investigating committee said in a speech in Massachusetts:

"It will do little good to raise a huge army unless, consistently with supplying our allies with the weapons they need, we can transport and supply our own Army overseas. It would be even more futile to raise so large an army that its attempted supply and maintenance would destroy essential civilian economy."

Reaction—and significant reaction—was not slow in coming.

President Roosevelt, in a press conference, said he had noted comments that continuing to increase the armed forces would

discombobulate the domestic economy (discombobulate is a favorite word of his) and said such a statement speaks for itself as something not popular in the midst of a serious war. He said Cot's statement was amazing and that it was equally amazing that anyone in Congress should try to apply it to the United States.

Secretary of War Stimson spoke out even more bluntly. He reminded the public that the chief of staff, General Marshall, and his assistants "have had access to all the facts in the possession of their government as to our resources, our manufacturing facilities and our power to transport this army by land, sea and air."

"They have had the benefit," he continued, "of constant conferences with the corresponding military and naval representatives of our great allies. Finally, in all their decisions, these men have worked in active collaboration with and subject to the approval of the President of the United States."

And right there, say close Washington observers of the manpower problem, is the key to the whole situation. In the end, whatever is done will be decided by the President. Don't forget that he is commander-in-chief of the Army, Navy, Marines and Coast Guard, and he has said that suggestions to cut the size of the Army are amazing.

Manpower Commissioner McNutt made a statement at a recent press conference that tends to bear out the opinion that the four branches of our armed services will follow the schedule laid out for them, which will mobilize a total of 9,700,000 men (plus officers) by the end of 1943. He said simply "The die is cast," and refused to explain further.

WPB Chairman Nelson's cheering report of November arms production—12 per cent greater than October and more than four times as large as November, 1941—tends also to knock the props out from under any argument that we can't maintain an army.

Interesting Items Taken From The Warren Evening Times

In 1923

A move is being made to install a church bell at the Minister church. A church bell is like a good neighbor, it sort of keeps lonesomeness away.

Tim O'Connor, engineman on the Erie-Kane pull, has been taking a vacation for a few days. He was badly in need of rest and while on his vacation his place was taken by Engineman Walter Jones.

Six auto loads of Sheffield basketball fans journeyed to Kane last night to see the New York Nationals play Kane. The city slickers won 41 to 21.

Lester Graham, who has been with Wood's Flower Shop for some time, has leased a store room on Liberty street and will soon open a flower shop.

Charles Warden, of Limestone, has lost a valuable young horse which was shot by a careless hunter during the deer season. The animal was given the best of care but did not recover.

In 1933

Jones Brothers, who have several shows on the road, report that only three big railroad shows will tour the country this year, as most of the shows have been bought by the American Circus Corporation and by the Ringling interests and withdrawn from the road.

The National Market advertises three pounds of bologna or liver pudding for 25 cents.

The mild weather at Garland is coaxing the crocuses and daffodils out of the ground. The lilac buds are beginning to swell and Andrew Gibbons reports seeing two yellow birds on Sunday.

Eoy Scouts of the county will hold their annual meeting January 16 and there are some important matters up for consideration.

Warren will have some good music during the coming weeks as Phil Santoro announces concerts by the Penn-York Symphony Orchestra and also by the Junior Symphony.

25,000,000 cans of food are purchased by Pennsylvania households each week. Can we collect a carload out of Warren county next Wednesday, January 20, the big collection day. We can, if YOU help.

Automobile dealers are helping to relieve the critical shortage of heavy-duty motor vehicles by increasing capacity of medium sized models.

# Rationing On Point System Is Outlined by Q. and A. Method

Point rationing will soon be in effect insofar as canned goods are concerned, and OPA is endeavoring to acquaint the public with the necessity for its installation and just how it will work. The OPA is conducting an educational campaign instead of cramming the system down American throats without a word as the reasons for it.

The following series of questions and answers have been put out by the OPA:

**Q.**—When will actual rationing begin?  
**A.**—As early in February as possible.

**Q.**—Why is it necessary to suspend retail selling at all?

**A.**—There are several reasons. In the first place, of course, all food stores throughout the country must be given an opportunity to prepare for the start of rationing. They must have time to build up supplies, to train clerks, to receive and post the official OPA list of point values and familiarize themselves with those values. Also, it will give the retailer time to take an inventory of his processed foods. Second, the public must be registered for Book 2, be notified of the actual point value and be given time to study them and budget their points for the first ration period.

**Q.**—How will the housewife know when point values are changed?

**A.**—The newspapers and radio will carry the announcements, and every food store will have an OPA poster showing the current point values of each particular product. A new poster will be issued when point values change.

**Point Values Fixed**  
**Q.**—Will the point values be the same in all stores, or will they vary between high-price and low-price stores?

**A.**—The point values are the same in every store in the country, regardless of the price charged. The housewife, in buying a No. 2 can of tomatoes, will have to surrender the stamps for the same number of points regardless of whether the price is 12 cents or 15 cents, or whether the can is grade A, B or C, or any other grade designation such as "fancy," "choice" or "standard."  
**Q.**—How long will the first ration period last?  
**A.**—That will depend very largely on the date rationing begins.

If it were possible to start on February 1, the first ration period very probably would take in the entire month of February. If, as now seems probable, rationing will begin on a later date, the first period may be an "odd" one covering either the balance of February or possibly the balance of February and the full month of March. Thereafter, however, rationing periods likely will correspond to the calendar months.

**Declaration of Stocks**  
**Q.**—What is going to be done about people who have an excess supply of these commodities on hand?

**A.**—Everyone applying for War Ration Book 2 will be required to fill out and sign a "consumer declaration" form stating exactly the stocks of processed foods on hand. Book 2 will give stamps removed for excess stocks and thus in effect, will compel the applicant to use up these stocks before buying any more. Heavy Federal penalties can be applied to those making a false declaration.

**Q.**—Does this "declaration" mean that I will have to declare the fruits and vegetables I canned at home last fall?

**A.**—No. Nothing you have packed at home need be declared and no stamps will be deducted for these home supplies. It is expected, of course, that you will use your home canned goods instead of buying commercial products and thus help your government spread food supplies as widely as possible.

**Dried Vegetables Out**  
**Q.**—There seems to be some question about dried and dehydrated vegetables and things like dehydrated dog food. Are these covered by rationing?

**A.**—No. Only dried and dehydrated fruits—apples, peaches and the like. Dry vegetables like navy beans, split peas and lentils are not included.  
**Q.**—What about chicken soup, canned beef broth, turtle soup and other soups made of meat or poultry stock containing few, if any, vegetables?

**A.**—All canned soups are rationed, no matter what their content. But not dehydrated soups. **Q.**—But why ration all canned soups?  
**A.**—Because all canned soups are interchangeable. If we can't get one kind, we are likely to take another. If we rationed only vegetable soups, a great demand would develop for meat and chicken

# Spring In Paris -- Nazi Style

soups, with the result that these would disappear from the shelves in a very short time.

**Q.**—Why are not canned salmon and canned meat included in the present rationing program?

**A.**—Because ordinarily canned meats and fish are not used interchangeably with canned vegetables. The present program was intended primarily to cover processed fruits and vegetables.

# Ice Cream IS A GOOD SOURCE OF CALCIUM

## It Compares Well with Other Foods

Here is good news for those persons who realize the necessity of an adequate intake of calcium to promote general health and nerve stability and to build and maintain sound teeth. Ice cream is an excellent source of this essential food nutrient, so much emphasized in the National Nutrition Program, and so often deficient in the human diet.

The National Dairy Council is authority for the statement that an ordinary serving of one-sixth of a quart of ice cream furnishes approximately seventeen per cent of the calcium required daily by the average adult. To obtain this same amount of calcium from fruits, vegetables and eggs, which are often selected as supplementary sources of calcium, it would be necessary to eat 2½ medium-sized oranges, or ½ medium-sized head of cabbage, or 9 medium-sized carrots, or 9 medium-sized potatoes, or 4 large eggs.

### MARY ALMEDA HOCKENBERY

Mrs. Mary Almeda Hockenbery of Corry, R. D. 5, passed away at the Corry hospital this morning at five-thirty o'clock. She had been a patient there since December 19th. She was born January 22, 1866, at Shasta, Pa., and in 1889 married G. W. Hockenbery, after which they made their home for a number of years in the vicinity of Garland. Thirty-seven years ago they moved to near Columbus where they have since resided, making their home at the present farm for the past twenty-seven years. Mrs. Hockenbery had been in ill health for the past two years. She was a member of the Lutheran church and was a devoted mother and grandmother. She was survived by her husband, two sons, Roy, at home and Forest, of Pittsburg; a daughter, Mrs. Amy Cushman of Leacock, N. H.; four grandchildren and four great-grandchildren.

Funeral services in her memory will be held at two o'clock Friday afternoon at the Bracken and Keating chapel in Corry, followed by interment in the David Curtis cemetery at Columbus.

### CAROLYN H. COOK

Mrs. Carolyn Hazeltine Cook, daughter of late Ezra T. and Rachel D. Hazeltine, passed away at the family home in North Warren at 10:15 p. m. Wednesday. She was born in Warren September 10, 1861, and had spent her entire lifetime here with the exception of several years in Virginia. She was a member of the Daughters of the American Revolution for many years belonged to the Woman's Club, was affiliated with the Market Street Reading Circle and was a member of the North Warren Presbyterian church. Her husband, T. E. Cook, preceded her in death a number of years ago.

Surviving are two children, Norman Cook, of Toledo, O., and Donald Cook, North Warren; five grandchildren; one brother, James E. Hazeltine, North Warren; a number of nieces and nephews. One son, Will, preceded her in death.

Services in her memory will be held at 3:30 p. m. Saturday at the family home, where friends may call at any time. Rev. J. H. Cruickshank will officiate at the rites and committal in Oakland cemetery will be private.

## Legion Auxiliary Memorial Service For Three Members

The annual American Legion Auxiliary memorial service was conducted by the president, Mrs. Edmer Munksgard, and the acting chaplain, Mrs. Merle Graham, at the regular business meeting. The charter was draped in memory of Mrs. S. S. Sechrist, Mrs. Ruth Anderson and Mrs. Alma Weaver and "Taps" was sung by Miss Gene Delloff.

Reports of Christmas service work were given and several interesting letters of thanks from sons in service and veterans of World War I were read.

An order was placed for nappies which are now being made by veterans in hospitals and the sale of which makes it possible for the auxiliary to continue its relief work.

The president again reminded members that there is much Red Cross work to be done and requested them to meet at Red Cross headquarters on Monday and Thursday afternoons for that purpose.

A social hour followed with prizes awarded to Mrs. Axel Bjers and Mrs. John Driscoll. On the committee for the tureen dinner which preceded the business session were Mrs. J. V. Scallie, Mrs. B. R. Jones and Mrs. John Meade. The next business session will be held Tuesday, February 9.

## Players' Benefit Offers Public An Ideal Opportunity

In presenting "The Lion's Paw" as a benefit performance at 8:30 p. m. Friday in the Woman's Club auditorium, the Warren Players Club is proud not only that the cast is composed of local members of the group, but also that the author is the well-known local playwright, William H. Wright.

The club has presented many of Mr. Wright's plays, including "Some Form Perfect", winner of a national competition.

Scene of "The Lion's Paw" is an island off the Gulf of Mexico and the plot is a clever vehicle for some of the most amusing lines ever given on the local stage.

In connection with setting and plot an exhibit of shells from the Florida coast will be on display in the auditorium. It seems that shell-collecting can be a pastime, a hobby or an outright mania, which no one can doubt after seeing the beauty of the shells in this exhibit.

For those members of the public who would like to contribute to war relief agencies and service men's associations by spending an evening on a tropical island, "The Lion's Paw" offers an excellent opportunity.

## Philomel Club Has Brazilian Program

Philomel Club members held their first program-meeting of the new year in the clubhouse Wednesday afternoon. Mrs. Allie Russell presiding and making a number of important announcements.

She reminded members to bring to the clubhouse their records for shipment to service recreation centers; also used silk and nylon stockings for the salvage collection.

She announced that Elaine Williams Thomas will be in charge of the meeting next Wednesday and that Mary Blocher will present a miscellaneous program on January 27, with Mrs. George Muir as hostess.

The program yesterday was given by Mrs. Z. Magno de Carvalho, club member from Brazil, who gave an excellent paper on Brazilian music, its origin and development, all illustrated with records and translations. Tea followed in the club parlors.

The meeting was opened with a brief devotional period, after which reports of all organizations of the church were presented. These showed all groups in a healthy condition financially and the congregation is much encouraged over prospects for the coming year.

Three members of council, F. X. Miller, Clyde Simonsen and Floyd Alquist, were reelected, other officers having been named previously.

## ALL WOMEN MAY TAKE HOME NURSING

As an essential wartime measure the Red Cross is endeavoring to carry instruction in home nursing to every family in the community. Its slogan is "A member of a nursing class in every family."

Therefore, the local home nursing committee is announcing the opening of additional classes of instruction in that subject, and women of all ages are eligible for these courses.

A special class for high school students will be taught by Miss Mildred VanSickle, of the Warren State Hospital staff. Those interested are asked to please register for classes at Red Cross headquarters, telephone 2926.

## Ask Knitters To Turn Over Their Work

Officials of Warren County Chapter, Bundles for Bluejackets and Bundles for Britain have asked the Times-Mirror to broadcast an appeal to its knitters to turn in their completed garments at once.

Those who have unfinished garments in their possession and find they will be unable to complete them are asked to turn these in, also, since the need of both groups is very great and continued cold weather in many fighting areas makes necessary additional shipments.

Bundles headquarters in Room 407, Warren Bank and Trust Company building, are open daily from one until three o'clock and all who can be asked to bring their garments to that location. If it is impossible to deliver the garments to headquarters officials should be notified by calling 1825-M during office hours.

## PUBLIC'S RESPONSE TO APPEAL WAS GOOD

At the January meeting of the Children's Aid Society of Warren county a report was given on the excellent response by the public to the appeal for contributions to the Christmas fund.

Donations have been made by church school classes, clubs and generous individuals to this fund for children of Warren county who depend upon this organization for their Christmases.

The committee in charge of this particular phase of the care of children extends its thanks to the Times-Mirror for publicity given, as well as to the many individuals who gave of time, work and money for the fund.

Many Never Suspect Cause Of Backaches

This Old Treatment Often Brings Happy Relief  
When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headache and dizziness. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder.  
Don't wait! Ask your druggist for Doan's pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Ludlow Red Cross Makes Fine Record

Ludlow, Dec. 11—Mrs. Sherman Mattison, general chairman of the Knitting and Sewing, of the Ludlow Chapter of the Red Cross has announced that the following articles were completed and turned over to the Red Cross in Kane during the year 1942.

Sewing: 67 hospital gowns, 18 blue blankets, 39 boys' shirts, 24 skirts, 35 night gowns, 10 boys' pajamas, 6 men's pajamas, 26 bed jackets, 25 dresses, 22 children's bathrobes, 20 ladies blouses and 100 army kit bags.  
Knitting: 29 army sleeveless sweaters, 8 children's sweaters, 3 children's suits, 7 women's sweaters, 3 men's sweaters, 6 mufflers, 2 navy sleeveless sweaters, 5 navy turtleneck sweaters, 15 watch caps, 15 pair of socks, 5 pair of sea boots, and 12 pairs of wristlets. This makes a total of over 500 articles sewed and knitted during the year.

All citizens who are interested in helping in this worthy endeavor during the coming year are urged to come to the Red Cross rooms on any Thursday afternoon. The committee has stated that there is need for every person to assist and that there will be work enough for every one who will report. The committee in charge of this work is as follows:

General chairman, Mrs. Sherman Mattison, production chairman, Mrs. Emil Nelson, knitting chairman, Mrs. Walter S. Cox; pressing and packing chairman, Mrs. Robert W. Wenstran; inspection chairman, Mrs. Benjamin K. Connelly.

OPA Rules On Slaughtering Of Livestock

Chief Office of Price Administration Attorney Loran L. Lewis, of the Pittsburgh district office, announced today that investigations reveal that retail butchers in this area, unable to secure meat from regular packing houses which have been restricted, are buying live cattle in the open market and are slaughtering it themselves or hiring someone else to do the work for them.

This practice, Mr. Lewis said, is illegal unless the retail butcher slaughtered live stock in 1941. "A great number of butchers are buying up cattle and taking them to a slaughterer or to some person who has slaughtering facilities to have them killed for a certain fee," Mr. Lewis said. "This is an illegal practice and in direct violation of the meat schedule. The net result of these illegal practices is to raise the price of meat, due to the fact that the retail butchers are bidding against each other for the cattle, which would normally be sold to the Army and Navy by packers who have Government-inspected plants."

Under the present meat restriction order, the average citizen will of necessity have to be curtailed in the amount of meat that he consumes. However, the Office of Price Administration feels that it is more important to the nation that the armed forces be assured of a constant supply of meat and therefore intends to do all in its power to enforce this restriction order.

The investigation section of the OPA's legal division has for weeks been conducting surveys and investigations in this area to determine compliance of meat regulations.

JOBLESS OF COUNTY GOT A TIDY SUM

The bureau of Employment and Unemployment Compensation disclosed today that jobless workers collected slightly more in idle insurance benefits during December than were disbursed by that agency in November, the lowest "benefit" month in the Bureau's history.

Payments in December last year, according to the Bureau's report, were \$611,876—thirty-six thousand dollars above the November figure. New applications for unemployment compensation benefits were up to 7,500 during December, an increase of fifteen hundred registrations over the previous month.

Philadelphia residents continue to lead the rest of the state in obtaining idle assistance with 11,631 checks amounting to \$160,584; Pittsburgh was next with \$54,844 and Warren had payments of \$788.

RUSSELL

Russell, Jan. 11—The regular meeting of the Women's Christian Temperance Union was held at the home of Mrs. Alice Mott Thursday afternoon with a good attendance. Devotionals were conducted by Mrs. L. E. Russell. After the business session the county president, Mrs. Mabel Dallas of Sugar Grove gave the report of the state convention held at Uniontown. Mrs. C. H. VerMilyea invited the members to meet at her home for the February meeting. The hostess served refreshments.

The Firemen's Auxiliary held a Christmas party at the home of Mrs. O. Kirby for the last meeting of 1942. On the evening of Jan. 21st the meeting will be held with Mrs. C. M. Lewis. Mrs. Floyd Lindquist is with her parents, Mr. and Mrs. Ernest Peterson, since her husband left for army camp Wednesday. Mr. and Mrs. Russell Taylor of Weedville have returned home after a visit with their daughter, Mrs. William Walter and family. Mrs. Clyde Briggs was hostess to her club members at her home Thursday, dinner was served at one o'clock. Out of town members present were Mrs. John Walters, Mrs. Robert Young and Mrs. C. C. Burch of Warren.

TIMES TOPICS

WILL MEET TONIGHT

The regular meeting of the Fox Club will be held this evening at the home of George Templeton, Buchanan street. All members are urged to be present.

PERSONAL PROPERTY TAX

C. V. Cumpston, state personal property tax examiner, will be at the Court House on January 21 and 22 also February 2, 3, 10, 11 to witness signatures and aid taxpayers in making their personal property tax returns.

BUSINESS SHOWS CHANGE

The telegraph business in the city despite various rulings shutting off messages of greetings, etc., has not shown any drop in volume, according to one of the men in the business here. Telegrams relating to war work, priorities, etc., have tended to help the business and keep the wires busy.

ASSISTANT CASHIER

At the meeting of the Board of Directors of Warren Bank and Trust Company held January 13th, Myron E. Jewell was named assistant cashier of that institution. Mr. Jewell has been associated with the bank since 1925 and has a host of friends who will be pleased to learn of his advancement.

STRANGE FISH IN SALE

Patrons of fish markets in the city are finding displayed for their purchase many kinds of sea fish that have never been seen here before. Names of the fish are new to inland residents. Presence of subs off the Atlantic coast have kept the fish boats close to shore and cod and other fish caught far to sea are not seen in any quantity.

LISTED AS DELINQUENT

Roy Proctor, of Grand Valley on Tuesday was listed as a draft delinquent by Draft Board No. 1, of Titusville, under whose jurisdiction he was summoned. The selector, a board spokesman said, failed to appear for a preliminary examination last Thursday. If he fails to report by January 16th, he will be reported to Federal authorities for action.

BOOKS COMING IN

Books for the men in the service are coming into the library in a manner that is quite pleasing. While the volume is not what it should be there is nevertheless a goodly number coming in. The need of books is very great as there are millions of readers in the armed forces who will appreciate the gift. And it is also suggested that good books be sent in and not outmoded volumes.

SIRENS ARE HERE

The eight sirens to be used in air raid alarms have arrived and have been at the city building for several days. They cannot be installed due to the fact that the relays by which all can be operated from a central station have not arrived hence the sirens cannot be put in place. The relays are expected soon and then when the sirens are installed alarms may be heard in all parts of the city.

HITTING PARKING METERS

Collections from the parking meters is sinking to a new low since the meters were installed. The cold weather combined with the ban on pleasure driving has given the meters a terrible wallop and collections are down to a small figure. With no signs that the gasoline ban will be lifted or even modified in the near future the income from the meters will be of little use to the city as a means of income.

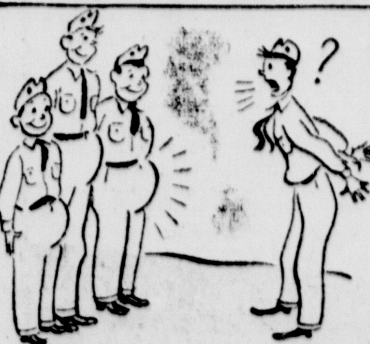

IS EXPECTING TICKET

County Superintendent of schools H. L. Blair is expected to receive a ticket and a letter giving all arrangements for Gerald Covell, of Triumph Hill school to attend the launching of a Liberty ship next Monday along with other school scrap collection winners over the state. One of the winners will christen the ship. Since Mr. Blair received a notice setting the date for the launching no further word has been received from Harrisburg.

SCRAP DRIVE STARTS

Throughout the state of Pennsylvania next Monday another intensified drive for the collection of scrap metals will start and Warren county must do its part. Steel mills are crying for more and more scrap metals and if there is to be no diminution of the flow of steel from the steel mills every community must do its part. Chairman Corbett of Warren county is moving goodly quantities of heavy scrap toward the mills and is receiving the best of co-operation from the Pittsburgh office of the war production board. Many caches of scrap have been reported to Pittsburgh and action will be taken soon.

Ludlow Pays  
Tribute To  
Service Men

Ludlow, Jan. 14—The Ludlow High School Auditorium was crowded to capacity last night when the Community Service Flag, which was presented to the citizens of Hamilton Township by the Township School children, was dedicated and unveiled.

The flag containing one hundred and twelve blue stars and one gold star, was dedicated by J. W. Fox, superintendent of the Township schools, and unveiled by Mrs. John Begany, Ludlow's Gold Star mother.

Plans have been made to have the flag on display in the main entrance of the High School at all times, and it will be available to any organization in the township that may want to display it at any time in the future.

The complete program for the evening was as follows: Salute To The Flag—Led by Girl Scouts Norma Bergquist and Stella Howanice.

Song: "America, the Beautiful"—Audience.

Invocation—Rev. Carl Gronquist. Selection: "Peace Be Still" (Herman van Berge)—Lutheran Choir.

Reading of Names, First World War—Miss Marie Logan, Post Commander, American Legion.

Selection: "Home Sweet Home" (H. R. Bishop)—Orchestra.

Reading of Names, Second World War—Enoch Nelson.

Dedication of Service Flag—J. W. Fox.

Selection: "Schubert Serenade"—Miss Mary Catherine Maxwell.

Solo: "Danny Boy" (Fred E. Weatherly)—Mrs. Emil Nelson.

Unveiling of Service Flag—Gold Star Mother, Mrs. John Begany.

Guard of Honor—Oscar Mortenson, Olger Wallin.

Taps—Robert Johnson, James Nelson.

Gold Star Bearer—Lewis Jones.

Flower Bearer—Susan Anderson.

National Anthem—Audience.

Benediction—Rev. Nestor Rackowsky.

## THE WAR AT HOME--Longshoremen

If you're not a New Yorker, and even if you are, it's easy to forget that the city is one of the great seaports of the world. Yet today, with water transportation high on the list of the United Nations' most vital needs, New York's docks are humming with unparalleled activity. NEA Staff Artist Carol Johnson visited the waterfront to make these sketches of longshoremen at work. There is a noisy job, so they rely on hand and arm signals to tell which operators to "hoist away."

## SUGAR GROVE

Sugar Grove, Jan. 11—The W. S. C. S. of the Methodist church, met Thursday afternoon with Mrs. Margaret Bindley, with thirteen

members and four guests present. Mrs. F. A. Schooner presided and devotions were conducted by Mrs. Bindley. Rev. Carleton Foss installed the officers elected at the December meeting and two others. Mrs. Bindley, Spiritual Life, and Mrs. Delmar Mickelson program secretaries appointed by the executive committee.

Mrs. Roy Briggs was program leader. Musical numbers were given by Mrs. Travers Stohberg, Mrs. Frank Conklin and Mrs. Mickelson. The latter also reviewed an article, "Women's Part in Methodism" and Mrs. Stohberg one on "Lest We Become Enclaved."

Mrs. Foss announced a study class on Latin America. Mrs. Bindley and Mrs. Gregg Abbott assistant hostesses served refreshments. The committee for the February meeting are Mrs. Frank Dorn, Mrs. Frank Conklin and Mrs. Anna Woodin.

Stuart Andersen, son of Mr. and Mrs. Stuart Andersen who has been employed in Washington, D. C., the past years, has enlisted in the Seabees and left the city Monday morning for camp. He came home Saturday morning to spend a few hours with his parents and was honored with a farewell party Saturday evening at the home of his aunt, Mrs. D. H. Haggerty. Twenty-five relatives and friends were present from Jamestown, Dunkirk, Chancellors Valley and Sugar Grove. A delicious supper was served and the guest of honor presented with nice gifts from those present.

Born January 6, 1943 at Our Lady of Victory Hospital, Lackawanna, N. Y., a daughter to Donald and Elsie Anderson Conklin, of Hamburg, N. Y.

Miss Anna Mary Fox, of Greenville, and William R. Miller, C. Sp. A., were weekend guests of the latter's mother, Mrs. Hugh Miller and family. Mr. Miller who has been at Norfolk, Va., since his enlistment has been transferred to Fort Deposit, Bainbridge, Md.

Sheffield Invades Dragons Territory Tomorrow Night

NEW TEAM IN "Y" CIRCUIT FINDS BACKER

The Warren Dragons take Sheffield into camp tomorrow night and are gunning for their seventh victory in eight starts. This will be the first of three Friday night games over a three week period and will see the locals on the early hardwood twice out of the three times.

Sheffield from early reports had been one of the best teams in the remains of District Nine, which tumbled with the OPA rulings late November, and are at present in their first half, playing the same type of schedule as the Warren team and are up high in their inning string.

Warren coming out of their contest with Jamestown on Tuesday night with a brilliant last-quarter victory, are confident of heading down the win columns into February, when they will suffer the loss of Buerkle, Urbanski and Mathews. The locals will start their lineup which they used in the Red and Green game, in all probability, and this will find Chuck McLean at the center; Nelson and Buerkle at the forwards and Urbanski and Mathews holding down guard posts. The game is slated to get under way at 8:15 with a fast pre-game at 7:00.

SPORT SHORTS

New York, Jan. 14.—(P)—Babe Ruth is going to celebrate his 49th birthday anniversary surrounded by many of his old pals. The former home run king, who opened a series of personal appearances to promote the government's scrap drive and war bond sales, purchased a ticket to the 20th annual baseball writers' dinner Feb. 7, his birthday.

Chicago, Jan. 14.—(P)—The American League, taking inventory of baseball fines assessed in 1942, has concluded that times are very tough indeed.

"We didn't take in over \$500 in fines last season," said President Will Harridge, and Jim Dykes, Chicago White Sox manager, contributed \$300 of that total.

He laughed and added "it's terrible how tough times are getting."

Defiance, O., Jan. 14.—(P)—Defiance College's cagers rolled up a new season scoring mark in Ohio collegiate basketball circles last night in defeating Bluffton College 54 to 39, but there was nothing new about the performance for either Bluffton or Defiance.

The last time the two teams met a year ago Defiance defeated Bluffton by a score of 104 to 45.

Covering The Sports Front

—WITH—"BOB" JOHNSON

In a previous issue we stated that to try to build up a high school game for the former (pre-gas rationing) fans was a hard job because after the whole thing was over it seemed futile in the light that nobody could go to watch the team play out of town games. . . . We take that back.

If all of you could have seen that game in Jamestown Tuesday night and been able to cheer the Dragons, there would have been more than a few husky throats in town the following day. . . . As it is you couldn't, so we tried to give you a play-by-play description of it and in basketball circles, as a rule, that just isn't being done. . . . We felt that if you could draw any kind of an outline as to what happened, the job would be worthwhile and satisfaction would be forthcoming.

A full account of the game took plenty of that valuable space on the page and we couldn't get all of it in, but if we can convey so much as an inkling of it to you through this method, it will be worth while.

Jamestown was certainly primed for the game, having lost every tilt this year by a narrow margin. . . . From the opening tip-off, when "Bud" Mathews passed first to Jim Urbanski, the defense work of both teams was nearly unsurpassable. . . . Each team used a man-for-man defense and they couldn't have clicked more beautifully. . . . Dean Nelson made some of the seemingly impossible shots he has been seen to take to the left as he dribbled into the foul lane and veered off to the left as his hand shot up with three men trying to stop the shot—then in a sweeping overhand hit the bankboard and racked up two points.

Then there was Jim Urbanski making his man wonder how he was making those quick shots of his go in, and worrying him all the time when he went into that clever dribble of his. . . . Hubbs made another shot for mention on a quick break as he crowded through the defense for a one-hander under the bucket. . . . We could go on for hours. . . . Anyway, it's given us an incentive to try to give the games as close as possible to what they were—providing we keep getting there.

There's always one fellow apologizing, and that is the sports editor. . . . A member for two years, and we didn't know that Claude Schindler at the Elks is Claude Cochran. . . . Another—and we hope it's straight—Warren plays its last Dragon basketball game with Urbanski, Mathews and Buerkle on the 29th, when they clash with Strong Vincent. . . . Sheffield comes here this Friday; they meet Falconer up there on Friday of next week, and it's the Colonels of Erie on the following Friday. . . . Those things just happen. . . . Floyd Passinger of the Erie Daily Times sat in front row of seats at the swim-meet in the Erie "Y" the other night. . . . Then when he couldn't get out, received his unwanted shower with his clothes on. . . . Anyway, there won't be any more about Willy for weeks.

Foreman A and Plate Floor each took four points from Engineers and Foreman B, respectively. Heaters won three points from Boring Mills.

Wooster's 201-558 topped the Foreman and Coddington's 208-558 led the losers. J. Clark's 556 topped the Heaters. Coppola's 508 led the losers.

Scoring honors for the evening went to the Foreman A on 858-2461. Wooster's and Coddington's 558 led the individual scorers. Ray Johnson's specialized in picking up three splits of the 5-7, 5-7, 5-10. "Chink" Beardall, an old timer, came out for the first time in years and after a bad start came back with games of 150-160 and picked up the 5-8-10 split.

ARCADE LEAGUE

In the City League the Georges Confectionery took three from the Walkers. Calvin Lawson hit 201 and brought through a high total for the night at 516. The United and the Blue and White split their match. Tony Pratz was the head man for the United with his 186 and high total of 502. Pete Miller slapped out 504 for the Blue and White in the same match.

MAJOR LEAGUES WILL PLAY USUAL NUMBER OF GAMES; PLAYERS ARE STILL ENLISTING

BY AUSTIN BEALMEAR

New York, Jan. 14.—(P)—Baseball fans will get their usual quota of major league games during the 1943 season, unless present plans fall through, but they may have to tour the globe for a glimpse of their favorite stars.

The baseball world still was waving goodbye to Pete Reiser, the slugging center fielder of the Brooklyn Dodgers, yesterday when Joe DiMaggio, who operates in a similar capacity for the New York Yankees, decided to follow Pistol Pete into the armed forces.

There, in the service of their country, these two valuable performers who once were the batting crowns of their respective leagues will join such diamond greats as Enos Slaughter and

Commission Will Have Two New Members

Harrisburg, Pa., Jan. 14.—(P)—Pennsylvania's game commission, two members of which were named since Jan. 4 by Governor James Meade today for its last session before the present administration ends.

Although the commission's regular meeting ordinarily would be held Jan. 28, a high placed official who declines to be quoted by name said this meeting was called to clean up pending matters.

Action on civil service for all commission employees was on the program, the same source explained, adding that at present only some employees are under that system.

The commission's new members are A. J. Hanes of St. Marys, named Tuesday after A. W. Lee, Jr., of Clearfield, had announced he had been ousted, and Dr. C. E. Phillips of Sunbury, appointed Jan. 4.

Seth Gordon, executive director of the commission, is absent from the capital on a physician's orders, his family reported.

Style Show Planned By B. P. W. Club

Youngsville, Jan. 13.—Rev. Dwight Jack, pastor of the Methodist church, was the speaker Monday evening at the meeting of the Youngsville Business and Professional Women's Club held at the home of Miss Nellie Knapp.

Rev. Jack's talk was on the theme of a Christian building of new world even while bombs are still falling and to continue until peace and justice are found in all parts of the globe.

The Business and Professional Women club had a part in the program singing two groups of songs and rounds under the direction of Miss Lillie Wood.

At the business session with the president, Mrs. Lola Walters presiding, plans were considered for holding a style show opened to local dealers in women's wearing apparel. A chairman was selected to confer with local business

1943 VICTORY BOOK CAMPAIGN GETS UNDER WAY

The Victory Book campaign of 1943 is sponsored by the American Library Association, the American Red Cross and the United Service Organization.

This new drive is well on its way in Warren with the librarian of the Warren Library as the chairman of Warren county.

The armed forces have expanded so rapidly it has been impossible for officials of our Army, Navy and Marine Corps to supply enough books for all the new camp which have been organized within the year. Thousands of men pour in daily to new and enlarged posts. Therefore, the campaign committee is asking for more books and for good books.

The new slogan for 1943 is: "Any book you really want to keep is a good one to give." This year the cry is for ten million good, usable books to serve our fighting forces. The books must be in good physical condition. Send the best books you can. Go to your bookshelves and pick out the books you have enjoyed and bring them to the Warren Public Library.

It is estimated that America's motor vehicles are riding themselves off the road at the rate of 3½ per cent a month.

NO CONCERT

The concert scheduled to be given Tuesday evening in the Youngsville high school auditorium by the National Forge Band was called off because of present conditions. Youngsville people hope that the time may come soon when the fine National Forge Band may be heard here in a concert.

## WOMEN AT WAR

Rosebud

Rosebud is eight, and the most beautiful shade of caramel fudge. To her loving Mammy and Pappy she is known, on approximately alternate days, as "Angel" and "You devil child." It was on her devil-child days that Rosebud tied the knots in the shirts that Mammy had taken in for washing, and poured the whole of the vanilla bottle into the lamb stew, just, she said later through bitter tears, to "flavor it up some."

On her angel days Rosebud is equally imaginative even if a more restless occupant of the little shack down on Vinegar Hill. Once when Mammy was out doing day work, Rosebud got a wave of cleaning fever and scoured every pot and pan in the kitchen so that they literally glistened. Another day, left alone, she tidied up Mammy's and Pappy's room to such a point of apple-pie order that it was a week before Pappy could find an undershirt.

Rosebud is a great reader of the newspapers. Mammy and Pappy don't take one, but there are plenty of perfectly good newspapers blowing round Vinegar Hill. It was out of one of them that Rosebud got her idea for spending the ten cents the Bunny had put under her pillow the night her tooth came out. After breakfast Rosebud disappeared down the Hill and reappeared soon after with a beautiful ten-cent War Stamp pasted firmly into a brand-new book with neat little squares for more stamps. She displayed her investment to Mammy. "I declare you're an angel child," Mammy said. Rosebud went on sitting on the kitchen floor staring with large brown eyes at the empty squares in her book. From time to time she took hold of one or another of her teeth and wiggled it, gently.

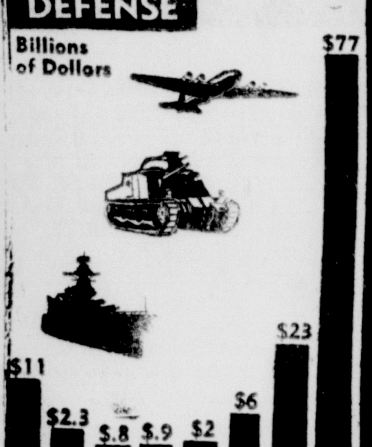

Mammy was engrossed in a particularly big washing. Rosebud was as quiet as a mouse and Mammy forgot about her until, coming in from the yard with her arms full of dry sheets, she encountered her child with a large hammer in her hand. Scolding the devil in her angel child, Mammy shouted at her, "Rosebud! Come yere with that hammer! What you planning on doing?"

But what was done was done. In Rosebud's other hand was another tooth. Her mouth was stretched in a broad if slightly bloody smile. "I ain't doing nothing, Mammy," she said. "I'm just filling up my stamp book."

so long as the war is on.

Need for congressional action on immediate problems such as new taxes appeared likely today to sidetrack for several months consideration of President Roosevelt's proposal for an expansion of the social security system to combat postwar economic hazards.

Chairman George (D-Ga) of the senate finance committee told reporters the calendars of committees which usually handle social security matters—ways and means in the house and finance in the senate—probably will be crowded for some time with prime legislation.

In this category, he placed pay-as-you-earn tax legislation, new revenue producing measures, an increase in the \$125,000,000,000 public debt limitation and expiring executive authority to make reciprocal trade agreements.

Meanwhile, ways and means members began preliminary studies of prospective tax proposals as both houses marked time legislatively until their committees could bring important measures to the floor, particularly appropriations bills.

The senate scheduled action to approve its standing committee assignments and awaited an expected attack by Senator Bridges (R-NH) on Mr. Roosevelt's appointment of Flynn, the retiring Democratic national chairman. The foreign relations committee will decide tomorrow whether to hold hearings on the \$10,000 a year Flynn nomination.

Washington, Jan. 14.—(P)—Urging that President Roosevelt "give us wartime prohibition as Woodrow Wilson did in World War No. 1 a letter from former members of Hopewell United Presbyterian Missionary Society (Church of Laurel, Pa.), was placed in the congressional record by Rep. Grass (R-Pa.).

The letter, addressed to Gross, said: "Mothers have worked and played that their boys might be kept from evil since we are in the war, and our boys are called to serve their country. We think they should be protected from evil influences while in the service of our country."

State police, upon being notified of the hold-up, posted guards on all highways leading out of the area and referred the case to the Federal Bureau of Investigation office in Providence.

Mosher said that all the men wore caps. Two wore nainsook type coats and the others, dark overcoats. The one with the gun was described as about 27 years old.

As the men drove off, the soldier attempted to note the sedan's registration number, but said the plates apparently had been covered.

## Borough Ass'n To Be Formed In This County

A meeting of representatives from Warren county boroughs last night endorsed the establishment of the Warren County Boroughs Association, and approved the organization of a training class for borough officers. Official action by the various borough councils is necessary to set up the county association, and a proposed resolution for that purpose is being prepared for submission to them.

The School of Borough Officers was outlined and explained by John T. Hermansen, representing the Public Service Institute, State Department of Public Instruction. Plans were made to open the Warren county class on Wednesday, February 3. Harold S. Hampton, Esq., member of Warren borough council, it was announced by Mr. Hermansen, has accepted the appointment as instructor.

The purpose of the course, Hermansen said, is to give borough officers and administrative personnel an opportunity to achieve a better understanding of the organization and operation of borough government by participating in an organized course of study. The subject matter of the course, based upon a textbook especially prepared for this purpose, includes borough organization, duties of officers, a description of services performed, and the methods and procedures of borough administration.

Enrollment in the class is open to all part-time and full-time officers and employees, elected or appointed. There will be no tuition or fees. A certificate of attainment will be awarded to each member of the class who completes the course and passes an examination.

The class will meet in the municipal building, Warren. The first of the twelve weekly two and one-half hour sessions is called for 7:30 p. m., Wednesday, February 3rd.

Burgess R. W. Steebr, borough of Warren, welcomed the borough representatives at the meeting last night. Chairman R. H. Tressler called upon the president of Warren's borough council, F. W. Waite, to present the plan to organize the county association.

# Mock Enemy Invasion To Be Problem

Military and civilian protective units of the Warren district may be mobilized for a simulated full-scale mock invasion by enemy forces which will be staged some time this month. It is felt that this end of the state may be called upon to function at full strength as Pittsburgh being highly industrialized may be selected as the target area for the state wide drill.

In any event, however, the local units of the local platoon of the Pennsylvania State Guard, the Pennsylvania Reserve Defense Corps, Pennsylvania motor police and all Civilian Defense units will be "frozen" for possible transfer to a "stricken area" elsewhere in the state. The maneuvers are being planned by the War Strategy Board and with every agency functioning on its own there will be plenty of opportunity for judging just how efficient each group is at present.

Main purposes of the drill, to be held during an air raid alert, are to show the requirements of a foolproof war plan for the state and to provide team work practice for all participating units. The drill also is expected to show "the

public's reaction and morale to a general mobilization maneuver."

Harrisburg, Jan. 14.—(P)—A state-wide make-believe "invasion," designed to test Pennsylvania's defense organization, gathered speed today as maneuver headquarters released a second message which located the pretended enemy task force off the Atlantic coast.

The Pennsylvania motor police were ordered to go through the same motions they would if actual attack was near. They began patrolling roads and investigating persons suspected of being "enemy sympathizers."

Also directed to mobilize were the Emergency Disaster Committee, the State Control Center, Red Cross, Reserve Defense Corps and certain key control centers.

tion is continuing and will not be completed for months. After hearing additional witnesses called for today, the jury planned adjournment until a later date.

One indictment charged Paul Louis Schlitz and William J. Millard, of Harrisburg, and Guy Rupp and Walter H. Shaul, of Mechanismburg, with conspiracy to defraud the United States.

The second indictment accused Theodore Roosevelt Potts, of Princeton, N. J., second vice president of Brann and Stewart, and three alleged co-conspirators, who were not named defendants, with conspiring to defraud the government by submitting "false, fraudulent and collusive bids."

Thomas Barrett, of Marietta, former master mechanic, was accused in a third indictment of three counts charging violation of the anti-kickback law. He was accused of forcing employees receiving pay increases to give him part.

In another indictment, Barrett and Charles Hartline, of Harrisburg, general superintendent of utilities for the contractor, were accused of the theft of 60 pounds of sheet steel and 100 pounds of iron.

Martin S. Rutt, Jr., of Lemoyne, named in a sixth indictment in 11 counts, was accused of petty thefts at the depot ranging from 40 cents worth of nails to a \$6.50 lot of chains.

Another indictment charged Gilbert H. Flail, a civilian construction equipment inspector for the navy, with seeking a bribe. The statute involved provides a maximum penalty on conviction of three years in prison and a fine determined by the amount of bribe alleged.

The jury in a presentment also charged that Jasper White, of Philadelphia, assistant business agent of Local 542, AFL International Union of Operating Engineers, refused to turn over union records to the jury on the claim it might incriminate him and his organization.

## Martin Recommends Tax Cut As He Names Nine In Cabinet

(From Page One)

Russell Shockley, \$12,000. Duff is a Pittsburgh attorney who has been active in Republican politics.

Secretary of Labor and Industry—William H. Chestnut, Philadelphia, succeeding Lewis G. Hines, \$10,000. Chestnut, a veteran state employee, has served as head of the workmen's compensation bureau.

Commissioner of Pennsylvania Motor Police—Lieut. Col. C. M. Wilhelm, Dauphin county, present deputy commissioner, succeeding Co. Lynn G. Adams, \$8,000.

Secretary of Property and Supplies—Chester H. Woolworth, Lancaster, manufacturer, succeeding James F. Torrance \$10,000.

Secretary of Public Assistance—Samuel Y. Ramage, III, Oil City hotelman, succeeding Howard L. Russell, \$10,000.

The three cabinet-rank posts remaining to be filled are those of secretary of commerce, secretary of forests and waters and secretary of mines.

Three of the new appointees—Logan, Wilhelm and Chestnut—have served under retiring Governor James.

Pointing out that his tax recommendation would be especially welcome in counties "hard hit" by property owners moving out of the state, Martin said he would have other tax recommendations to make later.

## FARM ROUNDUP

Harrisburg, Jan. 11.—(P)—Governor James and Governor-elect Edward Martin will speak before Pennsylvania Farmers Wednesday, Jan. 13, when members of some 25 state-wide agricultural organizations will hold a joint session here.

The farm groups are holding meetings here Jan. 12, 13 and 14 in place of the regular Pennsylvania Farm Show, called off this year after the U. S. army air corps took over its sprawling plant for a school to train airplane mechanics.

John H. Light, secretary of agriculture and chairman of the Farm Show Commission, said James and Martin would be heard on the evening of the second day in the forum of the State Education Building.

Wheeler McMillen, of Philadelphia, president of the National Chamurgic Council, will address the same general meeting of all groups. Other speakers will be Light and Dr. A. C. Marts, director of the State Council of Defense.

Secretary Light said the various organizations plans programs "to cover complete discussions of the various vital subjects in addition to having arranged for the appearance of federal officials to explain the applications of the orders which are being made affecting agriculture."

The meetings will be held in the Harrisburg Y. W. C. A., Education Building and various downtown hotels and auditoriums.

The Department of Agriculture reported that the supply of insecticides and fungicides should be sufficient to protect the important 1943 crops from insect and plant disease pests.

Secretary Light said a surplus exists for some important materials and a shortage for others which will make necessary "a certain shifting of the use of materials for use as sprays."

The supply of arsenical insecticides, including lead arsenate, calcium arsenate and paris green, is expected to average from 10 to 15 per cent below this year's figure. Light said the difference might be made up by using cryolite or nicotine as substitutes.

Pyrethrum and rotenone are two other important insecticides for which inadequate supplies probably will be noted. Only about half of the 1942 amounts are expected to be available. Cryolite, nicotine, oils and arsenicals may be substituted and Light advised growers to "prepare at once for these changes by going over their control programs and making ready to procure the substitute materials."

Of the other insecticides, estimates indicate an adequate supply for next year. These include cyanides, fish oils, miscible oils, parathion, benzene, tartar emetic and sulphur.

Of materials used to control plant disease, copper compounds seem most important and present indications point to the same quantities being available for 1943 as were used in past years. Copper is under government control and its distribution is made under the war production board.

Government agencies expect an 80 per cent normal supply of mercurials. There is an adequate supply of sulphur. Officials pointed out, however, that transportation difficulties may interfere with obtaining such materials as liquid lime and sulphur.

Reports by the department of agriculture's bureau of markets show more than 20,000,000 pounds of grapes produced in Pennsylvania were certified this year by federal-state inspectors at processing plants—nearly double the quantity inspected last year.

Yes, victory comes in cans! Tin is needed in every phase of war production. And your tin cans will help. Get them ready for the big county-wide curb collection Wednesday, January 20.

## Miners Split Over Issue of Ending Strike

(From Page One)

The split in the strikers' ranks developed at a general meeting last night at which a vote was taken on the War Board demand that the men go back to their jobs and submit to peaceful negotiations their demands for a wage increase and their protests against an increase in union dues.

The position of 7,000 other strikers employed in four collieries was not determined in the poll. The strike began in protest against a union dues increase from \$1 to \$1.50 monthly, voted at a UMW convention over the objections of anthracite delegates, who said delegates from bituminous fields held an unfair balance of power. The demand for a \$2 a

day cost-of-living bonus was a contributing cause.

The War Labor Board, announcing it would "exercise all the powers within our jurisdiction" unless the walkout ended, had said the movement was endangering the prosecution of the war.

The strike has cut production by about 30,000 tons daily.

The Pacific ocean is more than four times as large as North and South America together.
